of the proceedings tomorrow until Monday next. Commander Hood made the ruling that the court should sit as long as there were any witnesses present who were to appear before the court.

## Quizzed About Revolver.

Lieut. Osterman was put on the stand this morning. He was the first to be recalled of the number of officers to whom r. Davis propounded the question whether he handed Sergt. De Hart the revolver and of which De Hart could not recall

"Lieutenant," asked Mr. Davis, "when did you arrive on the day of Sutton's

"A few moments after the shooting." "Did you see Sergt. De Hart there?" "I have a faint recollection of it."

"Was a revolver handed to the ser-"I have a faint recollection of it." "When did you learn of it?"

"Either that night or the next morn-"Before the court of inquiry?"

"Yes." "You are sure that the revolver was not handed to the sergeant by you?" "I saw nothing of any revolver that Cook and Utley May Not Arrive Be-"You never heard who passed the re-

"I never did." "How did Utley, before the shooting, order Sutton under arrest? What did he do or say?' "He called out: 'Sutton, you are under

### arrest. Osterman's Fight With Sutton. "Was anything said between you and

Adams regarding Sutton's encounter with you?" "I don't remember it." "No recollection of your saying that

his encounter with you had pricked the

bubble of his reputation as a fighter?" "I don't remember any such thing be-"Did you not say you had found Sutton easier than you expected?"
"I don't think I did. I don't remem-

ber the conversation at that time."
"Were you marked with blood after the encounter?" Yes, some on my hand and-"Considerable on your shirt?"

'Yes, a good deal on my shirt." "Was that your blood or Sutton's?" "I believe it was Sutton's." 'The blood on your shirt came from hi face? "Yes, I think it did."

"While you were on the ground?" "My shirt did not touch his face while he was down. I think the blood from his face came while we were in a clinch."

## Possible Source of Stains.

Maj. Leonard then took Osterman and evidently in Mr. Davis' possession regarding Osterman's doings after the fight tion of cars for the different divisions could have come from many sources. Witness said he might have told it to fellow-officers, but denied that he had told Mrs. Parker. "Did you," asked Maj. Leonard, "not bind up Adams' finger?"

"Yes, I did." from Adams' hand on your shirt?" Witness thought directly that this was very possible and would no longer say that the blood was that of Sutton.

# Willing Under Crossfire.

"I do not.

Lieut. Willing was called. "Do you," asked Mr. Davis, "recall seeing any one hand the revolver to De Hart?"

"Or hearing that some one had done "I don't know just when I heard that some one had passed a gun to the ser-

'Was it that night or the next day?" "I think it was very likely some time that night. "Was it before you left the scene of

"I don't know. It may have been." Maj. Leonard intervened: "Do you know," he asked, "that some Says Father Is in Cincinnati on one-that any one at all-gave the revolver to Sergt. De Hart?"

"I do not know whether any one did." Owens' Memory Revised.

# Will Owens, the chauffeur, was called back for a few final questions. Maj. previous tilts with the young man.

Owens now thought it was "sentry" that one of the officers cried after leaving the automobile at the start of the scuffle. "How did you come to change your mind?" asked Maj. Leonard. "You formerly thought the word was 'orderly.' " "I thought it over," explained Owens. "When I said that before I thought

both meant the same thing.' "And now you know that they are dif "Yes, sir.

"No one told you they were different?" "Then that was just a plece of spon

taneous knowledge that came to you in the night, so to speak?" "Yes, sir," admitted Owens, with pleasant simplicity. There was laughter and a smile from Maj. Leonard, on whom the previous laughs during Owens' testimony had mostly been.

# Incident Comes Back to Him.

Owens, who seemed a pretty well meaning witness, remembered for the first time that Griffith had come up behind him in the second automobile as they left the Former President and Son Accept scene of the scuffle and had passed him on the College Creek bridge. This made possible the dialogue with the sentry. which Griffith did not recall and in which, said Owens, the sentry had remarked: Sutton can lick them all.

'How is it that the witness in his previous testimony failed to remember such an important part of the story?" interposed Commander Hood.

# All Pick on Owens.

Mr. Birney also tried to take a fall or two out of the witness. It was plain judge advocate, counsel for Adams and the court were all bent on assailing the credibility of Owens. Mr. Davis sat quiet, refusing to come to the defense or to make it appear that the boy was the Suttons' protege.

to trip Owens into admitting that he had told a different story about the second automobile on Friday. "Excuse me." put in Mr. Davis. "But the records show that Owens said nothing at all about Griffith's return in his former testimony.

The record was looked over. Mr. Davis' point was admitted to be correct. Sutton Liberal With Tips.

# "You liked Mr. Sutton, didn't you?"

asked the judge advocate.

"Yes, sir." "Liked him very well?" "I liked him first rate."

"Why did you think so well of him?" "Because, whenever I hauled him he al

ways gave me a good tip."
"And the other fellows did not?" "Were kind of mean?"

# "Yes, sir."

Griffith Had Better Luck. back in his turn. He insisted, in con- in March, 1912. tradiction to Owens, that he had passed Owens before reaching the bridge. He, too, was sure he had heard the cry "sentry" and "orderly."

"What did you think of Sutton?" asked the judge advocate. "I liked him."

anything wrong; thought he was a pretty St. Stephen's P. E. Church. Rev. W. C. good man.

### "Did he give you good tips?" "Yes, sir, anywhere from a quarter up." Adams a Good Spender.

that much, I suppose. How about My God, to Thee," and "Just as I Am." Adams?"

"Oh, he used to give a quarter or 50 cents tip, too." "You thought no more about the ofneers' fight that night?"

court this morning and proposed that so common among officers of the camp court should take recess from the close that you didn't think anything about them?" asked Mr. Davis.

"I dunno. I never saw any before. Sutton Bought a Bottle.

John F. Anthony, or "Frank" Ancalled to testify as to what he had seen of Lieut. Sutton on the night of

his death. "Sutton," said Anthony, "came about 10 o'clock. He did not drink. I was tending bar and he gave me an order. It was for a quart bottle of whisky. He said to wrap it up so that he could take it with him."

"Did you see him again?" "Yes, sir. He came in again at 10:15 clock with a young lady. They sat down in one of the adjoining rooms." "Did you see him after that? Did you see him leave the hotel?" "No, sir. I went to bed at 12:30 clock and did not see him any more." "Did you see Adams?"

"Did he show evidence of having been drinking?"

# STORM DELAYS WITNESSES.
